Exhibitor Testimonials

“We are proud to participate in the largest franchise show in Montreal. It gives us the invaluable opportunity to meet other industry leaders and potential candidates. The show allows us to showcase all of the new and exciting aspects of Pacini, and fosters a culture of innovation and growth.” **Pacini**

“We only exhibit at The Franchise Show in Canada. There are others, but our experience with The Franchise Show has been quite positive over the years, giving us solid exposure to quality contacts. We have sold stores annually based upon contact being made at CFA shows. From the last Vancouver show, we sold two locations and from the last two Toronto shows, we sold five stores. We get very solid support from the team at CFA and find the leads generated from The Franchise Show are better quality than the leads generated from competing shows in the marketplace. I would rather have fewer but better quality leads than tons of foot traffic and less qualified candidates.” **Booster Juice**

“The Franchise Show allowed our company to do real face to face networking. We are changing our company’s focus, and the show has been instrumental in that!”
Insurance Portfolio

“This was our first public event as a franchisor and we were very pleased with the quality of and professionalism displayed by the CFA

and the franchise exhibitors. A great opportunity to promote our unique proposition and to meet with potential investors face to face.”

BetterThan50 (Toronto February 2016)

“The CFA has been an integral part of the growth and success of Fire-Alert. Our presence on the website has been an instrumental part in the sale of franchises due to the exposure and credibility of the CFA. We also participated in the CFA franchise show in Toronto, ON in October 2016 and it generated quality leads, allowing us to sell two franchises. The CFA is always responsive and helpful with any requests we may have, are always going above and beyond for their members and we love working with them.”

Fire-Alert Franchising Ltd.

“Excellent show- provided fantastic exposure and generated quality leads.”

Beavertails Canada

“Great show and a high volume of attendees both days, I thought it was executed very well.” **Druxy’s Famous Deli**

“Thank you very much. We very much enjoyed attending this event. It was very professional and we were happy to have the opportunity to meet so many great people.”
